As time makes these facts wider and better known, this medicine has gradually become the the best reliance of the afflicted, from the log cabin of the American Peasant, to the Palaces of Unropean Kings. Throughout this entire country, in every State, city, and indeed in almost every hamilet it contains. Cherry Pretonal is known as the best remedy extant for diseases of the Throat and Lungs, and in many forein countries, it is coming to be extensively used by their most intelligent physicians.
